

INTRODUCING
FATALIST CHARDONNAY & PINOT NOIR

In late 2020, we unveiled our inaugural “Fatalist” Cabernet Franc—an ultra-limited wine made from two special barrels.

We can now say that this special wine was just the beginning, as we are proud to unveil two new Fatalist wines: Chardonnay and Pinot Noir.

Winemaker Adrian Bolshoi, “Each Fatalist wine comes from the finest barrel of the vintage, so you’re getting the ‘best of the best’ from our estate. We throw everything at these wines—the finest oak, extended aging, constant attention, and hand bottling in specially engraved bottles with a wax-dipped enclosure. As a winemaker, it’s so much fun to see what we can achieve when no expense or resource is spared.”

These wines are available to tasting at the winery and available to purchase online. They will not be included in a standard Brick Barn wine club shipment but members can modify their order to include a bottle.

2020 Fatalist Chardonnay \$100

2018 Fatalist Pinot Noir \$120

2017 CHÊNE CHARDONNAY

Santa Ynez Valley

Our 2017 Chardonnay “Chêne” was crafted to showcase the distinctive qualities of Brick Barn estate fruit when fermented and aged for more than two years in premium French oak barrels. *Chêne* is the French word for oak, signifying this wine’s provenance in oak barrels from fermentation through aging.

The 2017 Chardonnay “Chêne” opens with alluring aromas of pear, golden apple, butterscotch and lemon curd. A rich, viscous mouthfeel delivers flavors of peach, pineapple, Granny Smith apple and caramel with hints of toasty brioche. The rich, mature flavors of this Chardonnay make a fine pairing for grilled salmon, honey lemon chicken and fettucine alfredo.

2019 ALBARIÑO

Santa Ynez Valley

The 2019 Albariño is our take on this classic Spanish grape variety, which is famed for being full-flavored yet also crisp and refreshing. Our Albariño is planted to a small 1.9-acre block in front of our winery. This block’s sandy riverbed soils foster pure varietal character, while the marine breezes help maintain fruit vibrancy right through full maturity. The 2019 Albariño presents enticing aromas of white peach, orange blossom and honey with hints of sea breeze salinity. A luscious, viscous texture is loaded with flavors of apricot, golden apple, honeydew melon and citrus. Hints of spice and wet stone join fresh acidity on a lively, energetic finish. Enjoy this wine with tapas, fish tacos and seafood risotto.

2018 PINOT NOIR

Santa Ynez Valley

The 2018 Pinot Noir was created to showcase the multidimensional quality of Pinot Noir grown on the Brick Barn estate. After 20 months of aging, Winemaker Adrian Bolshoi tasted through all of the lots, ultimately creating this master blend of the best barrels from clones 115, 667 and Pommard. The 2018 Pinot Noir opens with soft, earthy aromas of plum, sage and clove spice. A round, silky palate reveals flavors of raspberry and black cherry with trailing notes of cedar, cola and cinnamon. Fine acidity brings lift to a velvety smooth and integrated finish. Enjoy it with rosemary-rubbed pork chops, broiled salmon and slow-cooked squash with sage and thyme.

2019 SYRAH

Santa Ynez Valley

Syrah excels at our estate vineyard, where we cultivate two small blocks totaling just 2.4 acres. Here, the ocean-cooled terroir imparts a Northern Rhône character to our Syrah fruit, with a balance of rich flavors, savory complexity and luscious acidity. True to form, the 2019 Syrah offers heady aromas of black cherry, blackberry, vanilla, sandalwood and fruit leather with a hint of smokiness. The palate is bold yet rounded, driven by flavors of blue fruits, plum and black cherry with gamy varietal notes that linger on a velvety finish. This beautifully balanced Syrah is a great match for Santa Maria BBQ, braised short ribs and French onion soup.
